## COUNTY COURT MEETS TOMORROW.

The county court will meet in regular monthly session tomorrow morning. At this session several matters concerning the 1903 assessment will be taken up for action. Persons who filed complaints last week had their objections referred to the county court for adjustment, but those who desire to enter late complaints will not be able to get them before the court. Several road matters are also to be taken up, among them the Lewis and Clark road survey, over which there has been so much contention. The members of the court have not yet looked over the report of the viewers, being anxious to avoid discussion of the matter until the court is in session.

## LETTER FROM MILES.

In the Astorian's issue of August 11, 1903, appeared the resolutions of the Cushing Post, No. 14, G. A. R., of this city, favoring Gen. Nelson A. Miles for the position of commander-in-chief of the Grand Army, together with comments more or less of a complimentary character. There was also printed in the same issue an editorial concerning the treatment the old veteran had received at the hands of the administration during his incumbency as lieutenant-general and upon his retirement. The Astorian believes that it voices the sentiment of a large majority of the Astorian people and having published its protest as a matter of justice and in the course of duty, was prepared to let the matter pass as a closed incident.

However, in these days of better mail facilities and press clipping bureaus, the words of the Astorian were destined to be read by the man most interested. Sunday the following letter was received marked "personal":

Washington, D. C., Sept. 9, '03—  
To the Editor of The Astorian, Astoria, Ore. Dear Sir:—Your very kind words concerning myself of August 11th were noticed and duly appreciated. Please accept my thanks.

Very sincerely yours,  
NELSON A. MILES,  
Lieutenant General.

## \$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucus surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, 75c. Hall's Family Pills are the best.

## WHAT IS LIFE?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's new life pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at Chas. Rogers' drug store.

**MEDICAL LAKE SALTS**  
NOT A CATHARTIC — NOT A PATENT MEDICINE.

So long as Medical Lake can Provide the requirements of an enfeebled constitution, you need not suffer. Here are Nature's own remedies, direct from the hand of the Great Creator, brought to you in the shape of pleasant, agreeable, health-giving Salts, evaporated by our own process. They have lost absolutely no virtue—no strength. By analysis, the waters of Medical Lake contain twelve ingredients, each and all standards of the pharmacopoeia. By analysis the Salts have the same in exactly the same proportion. Nature has compounded them so efficiently that man has tried and tried in vain to make them. But art can never compete with nature, when nature evinces a masterpiece. That the Salts are a masterpiece, their history proves. To Medical Lake, a little woodland gem hidden high up in the mountains, among the forests of Washington, the Indians for centuries came. Here they worshipped, and drank of the pleasant waters. The well were made stronger and thrived on the delicious beverage, and the sick and ailing were restored. In all diseases of the BLOOD, RHEUMATISM, NEURALGIA, MALARIA, and in all cases of KIDNEY and LIVER TROUBLE, MEDICAL LAKE SALTS WILL MAKE A CURE, if taken faithfully; yes, cure as sure as the sun shines. Men, with all his learning and his cunning, his experience and his skill, cannot make remedies like these, which nature freely gives.

25 CENTS, 50 CENTS AND \$1.00 A BOX, AT DRUG STORES

The Salts are also reduced, as a convenience, to Tablet form; five grains in each Tablet. Such a Tablet dropped into a glass of water, makes a remedy for the same troubles and at the same time an equally delightful cooling beverage.
